Examiners Comment

The priority document in the instant patent application has not been received by the Patent Office. In an office action dated 12/16/03 the Examiner incorrectly indicated that all priority documents had been received. However, after further review it was found that the priority document had not been filed. This was also verified in a telephone call to Counsel for applicant, Mr. Karl F. Milde (reg. 24,822) on 4/4/05. Counsel indicated that he would obtain and send the priority document.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Eric Coleman whose telephone number is (571) 272-4163. The examiner can normally be reached on Monday-Thursday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Eddie Chan can be reached on (571) 272-4162. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
